

Update on property purchase

We praise the Lord we only need \$32,500 more to make the second payment.

As we come to the end of 2015 we would be grateful if you would consider giving an extra gift for the property so we can make this payment.

Dear Ministry Partner,

A ministry we haven't written much about, yet is a very effective ministry is the Print on Demand services we offer Christian organizations. Through POD we print many types of materials including workbooks, brochures, paperback sized books and prayer cards.

Of the 6,000+ workbooks we printed this year most are discipleship training materials for organizations such as Crown Financial, Bible Center Training for Pastors and Theological Education by Extension. We also print workbooks for Christian schools such as Baptist Student Center and School of Promise.

School Children from School of Promise

We are confident these materials are making a significant impact in the lives of those using them. Through them people are learning about God not only in schools but learning how to make disciples so that the gospel can spread.

In conjunction with the POD we developed a website called <http://publish2day.org> where we promote books we have permission to print. What is unique about this site is that none of the books are in stock. We print the book when we receive an order.

In total we have printed over 11,000 books and have sent them to people not only within Thailand but to countries around the world. We are privileged that God uses this ministry to support Christians around

the world. So far we have printed books in eight different languages.

For those who have not viewed it, we invite you to watch a video about our ministry at <http://crosstiesasia.org>. This video was created to explain our ministry. Please spend 5 minutes viewing it. In the video you will see and hear how God is using this ministry to expose the dark areas in Thailand, areas where the Light of Christ has not yet shone.

One of the needs mentioned in the video is the purchase of the property for the foundation. Because you, our ministry partners, followed God's prompting last year we were able to make the first payment of \$50,000.

Front entrance to the property

This year the U.S. dollar has been very strong compared to the Thai Baht. As a result giving \$1.00 today is like giving \$1.30 last year. Therefore, we decided this year we would ask God for \$100,000 rather than \$50,000. **If God provides this amount we will have enough to pay for the property in full.** The final 2018 payment of \$30,000 will be made up in the difference of the exchange rate.

We don't know how long the dollar will remain strong — all we know is that your ministry investment will go much farther this year.

Would you prayerfully consider giving **\$100, \$1,000 or \$10,000** or whatever God puts on your heart for this project? **Our desire is that this ministry be a blessing to the Body of Christ in Thailand for**
